

Dear Members,

With two weeks remaining in Term 1, I write to remind members that we have two of our key social events coming up early in Term 2 which I ask you to put in your diaries. All members are invited.

Arvo Tea – Thursday 18 April at 2pm (Senior Citizens Hall)

Our Arvo Tea will be held on **Thursday 18 April** – the first Thursday of Term 2 - in the **Senior Citizens Hall** commencing at **2pm**. This has always been a wonderful occasion to sit down and chat with other members. Each member is asked to bring a small plate of food to share – all plates are placed on a central table. Tea and coffee will be supplied. Highlights include door prizes and a brief interlude for entertainment from one of our U3A courses.

Mid-Year Dance – Friday 3 May at 6.30pm (Yarra Glen Hall)

You will by now have received notice from Bec Doig of the mid-year dance. This event takes place at the end of the third week of Term 2 and has become a very popular event. Music is supplied by a professional band, Tony Rebeiro and the Bureau, who specialise in music from the '40s and '50s. There is much dancing and lots of fun. Mal Day also runs a few special dance routines during the evening when the band takes a break. You can either organise a table of 6-8 members or you can be placed on a table. You supply a plate of food for your table and bring your own drinks.

Please note that the dance coincides with the last day of the "Hit the Road" journey to the Grampians which returns on the same day and so some of you may need to plan accordingly.

Both these events occur early in Term 2 and so I wanted to provide early notice so that you could plan accordingly.

Kind regards,

John Pascoe (President)
